Changing Clifton

Dear Friends,

Thirty-six years ago Tom McNamara and I bought 12637 Chapel Road and moved to the Town of Clifton.

There we raised our four children – Sean, Kevin, Jamie and Katie. We loved Clifton Day, the horse parade and caroling at Christmas, celebrating Halloween, the Labor Day car show, the haunted trail, and the legend of the Bunny Man Bridge.

Thirty-three years ago I opened my flower shop – A Flower Blooms in Clifton – followed by Tom and my acquiring the Clifton Store and, in 2008, opening the Main Street Pub.

Over the years Clifton has seen many changes, but the changes are so subtle that sometimes we barely take notice.

In early October the Main Street Pub will open under new ownership – my son Kevin McNamara and Chris Hollowell will be the new proprietors. I know you will welcome them the generous way you welcomed Tom and me.

I cherish the friendships that I have made. My decision is to retire, and I am not leaving the area. I will see you again while visiting the shops and dining at the Pub.

Thank you for a wonderful 36 years.

Judy McNamara

Historic Clifton

In the early days of Clifton, it is clear the churches and the messages therein were taken quite seriously by the local attendees. Seldom do we speak of a sermon theme, unless we are with like-minded worshippers, or even our own church/temple-goers. Perhaps such open-ness helped neighbors “stay the course” of accountability one to another, and to remain somewhat centered on a variety of issues, perspectives and biblically shared-knowledge. Today’s diverse world, especially in our geographic area, can give rise to new insights, perspectives and comfort in getting to know someone who does not share the same faith heritage. What a gift *we* have to seek to better understand one another – rather than take the path of dismissing one another.

Yet, we learn that the Women’s Missionary Society undertook time in learning of a different culture in India, with the insights that women and girls were not being properly treated. With the 19th Amendment having just passed less than a month before this article was penned, it is clear that in Clifton an educated woman could help to educate others and thereby construct strategies of awareness and assistance to those in need of same. Remember, an educated lady will educate a family! Bravo, Ladies!

Clifton’s focus on school, teachers and the interwoven fabric of community, teachers and children made, again, a level of accountability. Parents were expected to support the schools, ensure their children studied and participated and go on to do “good things”! Miss Margaret Detwiler and Miss Esther Buckley are heralded as having made wise and worldly decisions. Miss Buckley has accepted a position at Frostburg, Maryland’s Normal School. This is a term that might cause the casual listener a bit of consternation. However, the term “normal school” comes from the French *école normale*, a sixteenth-century model school with model classrooms where model teaching practices were taught to teacher candidates. In the United States, normal schools were developed and built primarily to train elementary-level teachers for the public schools - in essence making an education a “normal” life stage – bringing with it a sense of maturity, literacy and sound social skills.

The delight in welcoming new babies into the world is indeed a universal practice! And here Clifton is no exception! Why the Town of Clifton’s citizens may still recall the ups and downs of parenting, and now of grandparenting! With the presence of the Nickum, Effros, Netschert, Franca, Rusnak, Jarrendt, Thompson families – and SO many others – the joy of “new family” continues to this day!

Enjoy this slice of Clifton doings from the Autumn of 1920!

In the Presbyterian church Sunday morning, Rev Thos. MacLeod preached on the healing of the blind man by the wayside.

The Women’s Missionary Society met at Mrs. Richards. Mrs. Hall spoke on India and the terrible customs of the Hindus, especially in the treatment of women and girls being imported into this country.

The School and Civil League met in the school building, Thursday last, and it was decided to have the community meet in the school building. September 20th, the day school begins, to welcome and get acquainted with the teachers. The hour of meeting will be 1pm. Fruit will be served.

Miss Pearl Blackburn has been recently married and will not return to her position in the school.

Mr. and Mrs. Walter Renn and children have returned from a visit to Mr. Renn’s parents in Williamsport, Pa.

Miss Esther Buckley left Sunday afternoon to take up her duties as Home Economics teacher in the Normal School at Frostburg, Md. Her father and mother accompany her to Washington.

The many friends of Mrs. Sara C. Edwards were very much shocked to hear of her recent sudden death in Younkers, N.Y. Mrs. Edwards was the widow of the late Rev. Wm. H. Edwards, who for twenty years was pastor of the Presbyterian Church of this place, until his death five years ago.

Master Lewis Ensor, son of Mr. and Mrs. Elijah Ensor, has been quite ill with a very serious affliction of the bones in the back of one of his ears, but is not better.

Mrs. Wm. Mathers, Sr., has been quite ill. She is living with her daughter, Mrs. Ensor. Another daughter, Mrs. Guntzman, came to her relief to help her in her trouble.

Mrs. Lewis Watson was quite ill last week, but was better when last heard from.

Dr. Cope is going into the real estate business in Culpeper and will move his family there.

Miss Margaret Detwiler, who recently got an appointment under civil service has already been transferred to another department, with an advance in salary.

Mr. and Mrs. Richards have been informed of the birth of a 9 lb. daughter to their son and daughter-in-law, Mr. and Mrs. Walter Richards.

Mrs. Claude Browner is the proud mother of another daughter. Mrs. Browner is the eldest Daughter of Mr. and Mrs. C. H. Adams of this place.

Master Vinton Southard has returned home from Harrisonburg, where he has spending the summer with his grandfather.

Members of The Democratic Women of Clifton and Northern Virginia (DWCNV) have been occupied with many activities over the past summer and current fall, including campaigning for our Democratic mid-term nominees from all over the country in an effort to increase Democratic turnout. In 2020 the Virginia General Assembly made it easier to vote in our Commonwealth. The DWCNV believes that all eligible voters should have adequate opportunity to cast their votes. We've seen recently that every vote counts, so get out and make your voice heard!

Our members also enjoy being together and being social! Over the summer we hosted two fun events for our members. In June, members and their families attended a backyard picnic at Donna Netschert's Clifton home, and in July we enjoyed meeting for dinner together at a restaurant in Reston. In September, members gathered to clean up Clifton Road for the Adopt-a-Highway program. During the pandemic, our general meetings were held virtually, but in September, we hosted our first hybrid (in-person/Zoom) meeting. We heard a presentation about what the Biden Administration and Congress have recently accomplished and then celebrated with a cake decorated with a listing of that legislation (see photo).

At our October meeting, we will learn how the recent decisions of the Supreme Court will affect us. Finishing up the year in November, we will host a potluck dinner at our annual Holiday Projects meeting at a Clifton member's home. Once again, we will collect toys and store gift cards for needy children for the Fairfax County Firefighters and Friends to the Rescue toy and coat drive program, and we will donate grocery store gift cards to Britepaths to distribute to needy local families. Members and their spouses/partners are invited to attend this special potluck event, where we will hear from the leadership of the two organizations. You do not have to be a member to donate to either of these worthy causes. Contact us for details on how to donate and where to mail gift and grocery store gift cards and deliver toys.

Joining our organization is easy. All Democratic women from Northern Virginia are welcome, and Democratic men and women living outside of Northern Virginia may also join us as subscribers in order to receive our mailings. Our mission is to build political awareness among members of our community, influence public policy, promote participation in political processes, and encourage connections between regional leaders and the local community. Member benefits include informative newsletters, campaign and election information, political action alerts, and participation in events like Clifton Day, the Adopt-a-Highway program, and special events. Through these activities and others, we offer members many opportunities to learn about important issues, meet other Democrats, and enjoy a variety of social interactions

For more information about our organization and activities, visit our website <http://www.democraticwomenofclifton.org/> and our Facebook page at <http://www.facebook.com/DWCNV>. Also feel free to email any questions to cliftonwomendems@aol.com. We hope to hear from you.

CLIFTON CLATTER Fall-WINTER 2022

Amazingly the turn of the leave color is already around the corner! Actually, on some of the luscious tree tops of our nicely forested Clifton, you can see the golden touches starting to crown them. What a beautiful symphony of colors and flavors the Fall change of colors evokes. The Republican Women of Clifton have been hard at work supporting congressional candidates, hosting a membership barbeque, a Whistlestop Tour in Clifton for Capt. Hung Cao, showing a very important election integrity movie called "2000 Mules" and many other fun community activities to advance the cause of life, faith, family and freedom.

In the 11th Congressional District, we are supporting Judge Jim Myles, who has spent his entire life in public service, from defending the nation in the Air Force to adjudicating cases as an administrative law judge. Jim is uniquely positioned to speak to the issues facing a veteran and Federal workforce at a time of rising inflation and economic insecurity. In the 10th District we are firmly behind Capt. Hung Cao, a retired Naval officer, a man with an innate spirit of service and gratitude towards the country that offered him and his family a safe haven at the fall of Vietnam, as they fled communism. He has served our nation over 25 years in both combat and non-combat positions and is determined to be the Congressman that will effectively represent us and uphold our values of life, liberty, and the pursuit of happiness. Our September meeting was devoted to helping both their campaigns. All members from the 10th help Hung Cao, with phone banking and door-knocking. All members from 11th help Jim Myles with phone banking and other ways.

In August we held our Membership Barbeque where we had the amazing opportunity to hear from Dr. Clara Wheeler, a retired surgeon, Senior Fellow with the Virginia Institute of Public Policy, and former member of the Virginia State Board of Elections. Her chat about the electoral process, fraud prevention and election integrity with our membership was truly enlightening and encouraging. Much fun was had bidding for fun items at the auction which included enticing items such as a week retreat in Emerald Isle, NC!

We are now ready to be part of Clifton Day which promises to be quite entertaining as we see in the schedule many new items that are sure to attract many more visitors to our little historic town! We will be there ready to inform our visitors about the amazing and promising candidates we are supporting and ready to welcome patriotic women of the area interested in joining us as we advance the cause of freedom, free markets, small government, protecting life in the womb and in schools, fighting for parental rights and making Virginia the best place in America!

Resource Recovery Tip

You probably know that most big retailers will take back plastic bags. But did you know that they also take dry cleaning bags, bread bags, Ziplock type bags, bubble wrap, ice bags, and more? The recovered plastic film is reprocessed into new bags, pallets, containers, crates, pipe, and composite lumber for making decks, benches, and playground sets.

Some items that are not included are compostable bags, pre-washed salad mix bags, frozen food bags, candy bar wrappers, chip bags, and cut flower sleeves.

Some tips on how to tell if an item is plastic film.

Is there a #2 or #4 in a chasing arrows recycling symbol on the item?

Does the item hold its shape when it is crumpled?

Does it stretch instead of tearing like paper?

If you answer yes to one or more of these questions, then the resource can be recovered.

Resource recovery is more than recycling. It is finding the highest and best use for items including reuse, repurpose, rehome, and recycle.

If you have any questions, please contact Ed at ed@recoveringresources.com

All plastic must be clean, dry and free of food residue.

The Historic Town of Clifton's Little Free Library, located in front of the Community Center right off of Main Street, is a Covid-19 friendly way of encouraging literacy among all ages. After building the library in 2017, local Girl Scout Troop 2009 has maintained the flow and circulation of books to include everything from children's Gold Books, to dictionaries, murder mystery novels and 'how to' books. The Little Free Library is open to all ages: take a book or two, return them later, or replace the ones you took with a few books of your choice to keep the circulation alive and of interest to all!

Northern Virginia Therapeutic Riding Program (NVTRP) is thrilled to announce that the organization is moving forward in August with building the long-awaited Jean and Ric Edelman Indoor Riding Arena on its 17-acre farm, at the corner of Popes Head and Clifton Roads.

The facility will include a 17,000 square foot indoor riding arena, classroom, rider observation area, and restrooms. It will be built on the footprint cleared during the first phase of building in 2018/19, which included the construction of the Trefry Outdoor Riding Arena, Kristen P. Cubbage Memorial Playground, parking, and a reconfigured entryway.

This round of construction will also include the completion of the sitework--an additional row of parking, completing the bioretention basins that are part of the stormwater management system, and the final landscaping.

TRINITY Group Construction is the general contractor for the project. They will subcontract with Lonnie Suter of Quality Buildings to build the arena itself. Lonnie is known and respected widely for building high quality, affordably priced equestrian facilities. TRINITY Group will be on-site starting in early August, planning to mobilize fully the week of August 17th.

NVTRP is a 40 year-old non-profit organization that helps children and adults with disabilities, youth-at-risk, and recovering military service personnel reach their fullest potential by riding and working with horses. This new space will allow clients to ride year-round, regardless of the weather, and also allow for an expansion of services, hopefully eliminating the typical 1+ year waiting list.

If you have questions or concerns about the project, please contact Executive Director Kelsey Gallagher at kgallagher@nvtrp.org or (703) 764-0269.

Membership Corner

The CBA board is in the process of updating membership lists and creating a usable database to track membership. I'm happy to say that we now have a completely updated, fully functional database!

The majority of memberships in the CBA have lapsed, so I have now begun the process of reaching out to past members via email. I'm getting quite a few email bounce backs, so I may be following up by phone as well.

There will be a new online registration and renewal site launching soon or you can send the form from the Clatter with payment.

If you are wondering if your membership has lapsed, or if you have questions about membership, please don't hesitate to email me at CBA.VA.Membership@gmail.com. I'm happy to answer any questions you have.

For current members, who are expiring, you will be receiving an email from me one month before your renewal is due.

We are also trying to reach out to potential members, so please mention the CBA to your new neighbors!
