

FAIRFAX VOTE 3 TO 2 FOR TRAFFIC SURVEY

Turner, Leigh and Buckley Approve Cooperative \$1,000 Study.

FAIRFAX BUREAU OF THE POST. P. O. Box 24, Fairfax, Va. Telephone 273-23.

Fairfax County Board of Supervisors at its regular monthly meeting yesterday voted to join in the traffic survey proposed by the National Capital Park and Planning Commission.

The measure was bitterly opposed by Chairman W. F. Reid, of Mount Vernon, and Kyle Davis, of Lee, who stated they were no devotees of a survey of the kind.

Fairfax County will be the last to sign the contract for the traffic survey, which is to be conducted by the National Capital Park and Planning Commission.

The board also authorized the board to make no more than \$1,000 for the survey, which will be done by the National Capital Park and Planning Commission.

The board also authorized the board to make no more than \$1,000 for the survey, which will be done by the National Capital Park and Planning Commission.

The board also authorized the board to make no more than \$1,000 for the survey, which will be done by the National Capital Park and Planning Commission.

RUSSIAN PULPWOOD ORDERED ADMITTED

Lowman Makes Decision on Lack of Evidence Convict Labor Was Used.

In the absence of evidence that it was produced by convict labor, a cargo of Russian pulpwood yesterday was ordered admitted to the United States.

The decision was rendered by Assistant Secretary Lowman of the Treasury after Mr. Makowski, vice president of the Russian Trading Corporation, the official Russian commercial organization, had emphatically denied that forced labor was used.

The fact of his belief, he said, was that the pulpwood was produced by the Russian forest workers, and that no convict labor had been used.

The fact of his belief, he said, was that the pulpwood was produced by the Russian forest workers, and that no convict labor had been used.

The fact of his belief, he said, was that the pulpwood was produced by the Russian forest workers, and that no convict labor had been used.

\$40,000,000 BLAST CLAIMS APPEALED

New Evidence Links, Agents of Germany in Black Tom, Kingsland Explosions.

By J. B. McDONNELL. Forty millions of dollars in claims against Germany for damage done by its agents in the notorious Black Tom and Kingsland explosions, back in the World War days, will depend on the success of an appeal filed yesterday by H. H. Martin, counsel for the United States, with the German-American Mixed Claims Commission.

The appeal, filed yesterday, contended that the claims for damages, which had been approved by the commission, were based on evidence that it had not been shown that the explosion of authorized sabotage agents in Black Tom.

The appeal, filed yesterday, contended that the claims for damages, which had been approved by the commission, were based on evidence that it had not been shown that the explosion of authorized sabotage agents in Black Tom.
